

## FINAL INSTRUCTIONS

Australian Junior Speedway Championships, Olympic Park, Mildura

Thursday 18<sup>th</sup> January until Sunday 21<sup>st</sup> January 2018.

### Fueling Station

Fueling station will be running. Fuel will be dispensed by Fuel Monitors prior to each Heat. After each race, Fuel will be removed by the Monitors prior to re-entry to your Pit.

### Pit Bay Allocation

You will be allocated a Pit Bay for your use at these Championships. Pit Bays will be allocated on a Daily basis, with an indication to you by the Sign On Staff as to which Bay you will be using on each day. A Master Sheet will be posted adjacent to the Blackboard for confirmation of your allocated Pit Bay.

### Environmental Protection

An absorbent Environmental mat **must** be placed under the engine/fuel tank while parked in the pit or work area.

It is the responsibility of the Rider to ensure that their allocated Pit Bay is left CLEAN. Tubs are provided, along with Brooms and Shovels for the removal of Dirt dropped from your machine. PLEASE cooperate with this request.

### Mechanics

Must present to sign on prior to Pit entry with a current MA Licence or specifically a MA Speedway Mechanics Licence. **Please cooperate with this Rule !**

### Measuring of Machines

All machines presented for Scrutineering for this Championship MUST have engines Drilled so as "Sealing Wires" may be fitted. Machines presenting to Scrutineering with engines that have not been pre-drilled will have to drill their Engines prior to the machine(s) being Scrutineered.

Machines may be measured under the Rules or Engines may sealed for measurement after any event .

**Fire Extinguishers :** All competitors to have a fire extinguisher as per the Supp Regs

**Event Schedule** - some Times could change according to weather conditions on the day. Please be aware of Hydration management (Vitaly important) and be mindful of latest weather information which could affect the Event Schedule.
